MEMORANDUM FOR: Director of Central Intelligence

SUBJECT: Actions to be taken with Senator Richard B. Russell

1. This memorandum suggests action on the part of the Director of Central Intelligence. Such requested action is contained in paragraphs 2 and 4.
2. Attached is a proposed letter for your signature to Senator Russell. The letter requests the opportunity for the Agency to present a briefing on its activities and operations early in the coming session. The letter contains the further suggestion that the meeting might be a joint meeting of the CIA Subcommittees of Senate Appropriations and Senate Armed Services since three of the Armed Services Subcommittee members are also members of the CIA Appropriations Subcommittee.
3. Also attached is a Memorandum for the Record of my conversation with Mr. William Darden in which the subject of this briefing was discussed in some detail. The fact of this discussion is noted in the proposed letter. In addition, the memorandum records the discussions relating to officially noting the establishment of the Subcommittee and the fact of its meetings.
4. I have also attached for your use a list of the matters which you may wish to discuss with Senator Russell when you meet with him. Senator Russell is planning to return to Washington right after Christmas and in view of your own schedule it might be possible for you to meet with Senator Russell on either the 5th or 6th of January.

Honorable Richard B. Russell, Chairman  
Senate Armed Services Committee  
United States Senate  
Washington 25, D. C.

Dear Senator Russell:

Having in mind the convening of the 86th Congress in the near future, I would like to bring to your attention several thoughts concerning Agency appearances before the CIA Subcommittee of the Senate Armed Services Committee. As in the past, I shall continue to make myself available to respond to the wishes of the Chairman and the Subcommittee members.

Very early in the coming session, possibly in January, I would like to appear before the Subcommittee to present a briefing which will deal in considerable detail with the Agency's activities, operations, and some of its accomplishments. It is expected that this briefing would last no more than two hours. I suggest that we be permitted to conduct this briefing reserving questions until its completion, at which time I and other members of my staff would be glad to respond to questions.

At the end of this presentation or at another meeting, I would be glad to furnish an intelligence briefing concerning recent events and a general status report. However, it is my belief that a briefing on the Agency itself is highly desirable to enable the Subcommittee members more effectively to judge the progress of the Agency. The scope and content of such a briefing have been discussed with Mr. William Darden.

Since three of the five members of the CIA Subcommittee of the Senate Appropriations Committee are also members of the CIA Subcommittee of the Senate Armed Services Committee, I suggest for your consideration a joint meeting of the two Subcommittees for the briefing on Agency activities. Consequently, a joint meeting would involve only two additional Senators. In the meantime, if there is any way the Agency can be of assistance to the Subcommittee, please let us know.

Sincerely,

**SIGNED**
